Sir,

With reference to Government order No 12134-5/Ed 19-99 dated 12th March 1901 sanctioning improvements and repairs to the building of the Government Taluk Kannada Boys' School, Nazarabad, Mysore city, I have the honour to inform you that the construction of a compound wall is one of the items of improvements required for the building. This item of work has not yet been carried out while other repairs and improvements have been completed. The Executive Engineer, Mysore Division and the Vice President of the Mysore Town Municipality propose that the houses marked yellow on the ~~enclosed~~ sketch may be

acquired so that the compound may be made a square and the low and dirty houses in close vicinity to the school building may be removed. I approve of this proposal after personal inspection. The cost of buying up the huts marked on the plan is estimated at Rs 320/- being the amount of compensation payable to the owners of the houses as valued by Mr. Navinda Rayers. Under these circumstances I request that Government may be pleased to sanction the acquisition of the houses marked Yellow on the enclosed plan for the extension of the compound of the Nazarabad School building, the amount of compensation being met from the provision of Rs 25,000/- allotted for "Taluk School Buildings" in the State Funds Budget of the Education Department for the current official year 1901-2. A plan showing the houses proposed to be acquired is sent herewith for reference and kind return when done with.

I have the honour to be,
Sir,
Your most obedient servant,
H J Bhabha
Inspector General.
